

**CURRICULUM VITAE**

**ANNE E. BERSET**

**Mailing Address:** 348 Mansfield Rd  
Storrs, CT 06269

**Email:** anne.berset@uconn.edu  
**Phone:** (703) 470-4421

---

**EDUCATION**

Doctor of Philosophy **University of Connecticut, Storrs, CT**  
2023 – Present Human Development & Family Sciences  
*Area of Specialization:* Child & Adolescent Development  
*Major Advisor:* Preston Britner, PhD

B.A. **University of Denver, Denver, CO**  
2020 Magna Cum Laude | Major: Psychology & English

**GRANTS & FELLOWSHIPS**

2023 – Present **Jorgensen Fellowship | University of Connecticut**  
*Graduate Student*  
Merit-based award to outstanding incoming doctoral students.  
Amount: \$100,000 over 5 years

2019 **Partners in Scholarship Grant | University of Denver**  
*Principal Investigator*  
Study Title: Efficacy of a Community-Based Parenting Program for Families Experiencing Chronic Adversity  
Amount: \$3,500

2019 **Advancing Community-Engaged Grant | University of Denver**  
*Principal Investigator*  
Study Title: Seedlings© Strengths and Needs Assessment  
Amount: \$5,000

**HONORS & AWARDS**

2020 Department Honors in Psychology | University of Denver  
2020 Student Scholar Travel Fund | University of Denver  
2020 Phi Beta Kappa Academic Honor Society  
2019 – 2020 Psi Chi Psychology Honor Society | University of Denver  
2019 – 2020 Mortar Board Honor Society | University of Denver  
2019 – 2020 Bernard Spilka Scholarship | University of Denver  
2018 – 2019 Cherrington Global Scholars Award | University of Denver

2017 – 2020 Pike's Peak Scholarship | University of Denver  
 2016 – 2020 Dean's List | University of Denver

## **INVITED TALKS**

- Berset A.E.**, Burkhardt, M.C., Mescher, A. (2022, April 27). *Effect of patient portal outreach messages on well child care visit catch up: A randomized clinical trial*. Presentation provided during Cincinnati Children's Hospital Primary Care Improvement Meeting to a group of medical nurses and doctors. Cincinnati, OH.
- Berset, A.E.** (2021, November 2). *meHealth for ADHD: Education for new and existing meHealth accounts* [Invited presentation]. Presentation provided during Cincinnati Children's Hospital Primary Care Improvement Meeting to a group of medical nurses and doctors. Cincinnati, OH.

## **RESEARCH EXPERIENCE**

- 2023 – Present      **Graduate Research Assistant | University of Connecticut**  
*Elevating Equity Project | Kevin Ferreira van Leer, PhD*  
Responsibilities: Analyze and interpret qualitative data from focus group interviews using rapid analysis and inductive coding - grounded theory. Conduct interviews with community-based organizations (CBO), state officials, and NGO's to understand staff's experiences working with immigrant families. Prepare written summaries and presentations related to analysis and findings.
- 2023 – Present      **Graduate Research Assistant | University of Connecticut**  
*Sexual and Gender Expansive Study | Beth Russell, PhD*  
Responsibilities: Conceptualize materials and record 8 podcast sessions for control health education group about sexual health, substance use and harm reduction, and activism and advocacy work. Collaborate with yoga instructor to ensure intervention yoga sessions are mindful of the

LGBTIA+ population by using a trauma-informed lens. Develop and manage REDCap for collecting pre and post data, distributing intervention materials, and contacting participants.

2020 – 2023

**Clinical Research Coordinator III | Cincinnati Children's Hospital**

*Resigning Outreach Post COVID-19 | William Brinkman, MD*

Responsibilities: Manage series of randomized control trials with <3500 patients aged 11 months old, 3-5 years, and 6-17 years examining the effect of varied outreach methods on the scheduling and completion of well-child checks and immunizations of children. Identifying eligible patients based on electronic health records (EHR). Verify appointment scheduling and completion of well-child checks from EHR. Train and oversee three Medical Assistants and Administrative Assistants from 3 Primary Care locations.

Funding: CCTST 2UL1TR001425-05A1

2020 – 2023

**Clinical Research Coordinator III | Cincinnati Children's Hospital**

*meHealth for ADHD | William Brinkman, MD*

Responsibilities: Managed RCT assessing web-based intervention to improve ADHD medication adherence. Lead recruitment efforts of parents and adolescents aged 11-15 years with ADHD diagnosis and low medication continuity. Oversaw NIMH Data Archive and ClinicalTrials.gov records.

Funding: NIMH R34MH112648

2021 – 2023

**Clinical Research Coordinator III | Cincinnati Children's Hospital**

*Return of eMERGE III Genomic Results | William Brinkman, MD*

Responsibilities: Developed proposal for secondary data analysis to examine alignment between parent and adolescent dyads on genomic test results for adolescents.

Funding: NHGRI R01HG010166

2019-2020

**Undergraduate Honors Thesis | University of Denver**

*Child Health & Dev. Lab | Sarah Enos Watamura, PhD; Elly Miles, PhD*

Responsibilities: Completed secondary data analysis examining how social support moderates the relationship between childhood adversity and mental health among Early Head Start caregivers using data from the Buffering Environmental Stress Together (BEST) project. Conducted data analysis using t-tests, 2x2 ANOVAs, and multiple linear regressions.

2019 – 2020

**Research Assistant | University of Denver**

*Child Health & Dev. Lab | Sarah Enos Watamura, PhD; Elly Miles, PhD*

Responsibilities: Coded and scored survey measures including the Brief Infant-Toddler Social and Emotional Assessment (BITSEA), Child

Behavior Checklist (CBCL), and Teacher Report Form for the Buffering Environmental Stress Together, Family and Childcare Buffering Study. Edited grant applications and conducted literature reviews, as needed, for lab-related projects.

2019 – 2020

**Research Assistant | University of Denver**

*Child Health & Dev. Lab | Sarah Enos Watamura, PhD; Elly Miles, PhD*

Responsibilities: Assisted in developing REDCap for project examining protective factors for Refugee families. Measures included: Adverse Childhood Experiences (ACEs), Parenting Sense of Competence (PSOC), Benevolent Childhood Experiences (BCEs), Brief Infant-Toddler Social and Emotional Assessment (BITSEA), Trauma Assessment Questionnaire, and the Refugee Integration Survey.

2019

**Principal Investigator | University of Denver**

*Child Health & Dev. Lab | Sarah Enos Watamura, PhD*

Responsibilities: Examined changes in parenting sense of competence and anxiety symptoms among participants in Seedlings©, a parent psychoeducational program to help Early Head Start parents manage stress and trauma.

2019

**Principal Investigator | University of Denver**

*Child Health & Dev. Lab | Sarah Enos Watamura, PhD*

Responsibilities: Conducted qualitative assessment of Seedlings©, a parent psychoeducational program designed to help parents manage stress and trauma. Completed semi-structured interviews with county leaders, instructors, and parents in three counties in Colorado. Transcribed interviews and coded content using grounded theory to yield major themes. Disseminated findings to community leaders to adapt the program to best serve the varied needs and demographics of each new county.

## **TEACHING & LEADERSHIP EXPERIENCE**

2021 – 2023

**Peer Mentor | Cincinnati Children's Hospital**

*General & Community Pediatrics*

Responsibilities: Served as peer mentor for Clinical Research Coordinators (CRCs) in the General and Community Pediatrics Research division. Hold weekly one-on-one meetings with CRCs to provide guidance on NIMH and NIH funded studies. Assist with regulatory duties with the IRB, participant recruitment and enrolment, study visits, and working with study team.

2019 – 2020

**Psychology & Writing Tutor | University of Denver**

*Learning & Effectiveness Program*

Responsibilities: Tutored undergraduate and graduate students with neurodevelopmental disabilities such as ADHD, Autism, and Dyslexia in the following courses: Intro to Psych, Child & Lifespan Dev., Abnormal Psych, Social Psych, Intro to Cognitive Neuroscience, Statistics,

Research Methods, Child Psychopathology, and Adolescence.  
Completed recurring one-on-one sessions to provide tutoring on course comprehension, exam preparation, and writing development.

2019 – 2020

**Vice President | University of Denver, Denver, CO**

*Mortar Board Honor Society*

Responsibilities: National Honor Society recognizing college seniors for scholarship, leadership, and service work. Responsible for delegating tasks to board members, coordinating monthly meetings, and collaborating with the President of Mortar Board to organize service events.

2017 – 2020

**Co-Chair | University of Denver, Denver, CO**

*Service & Change Club*

Responsibilities: Student-run organization that brought students together to engage with the community and organize service events. Collaborated with community partners, including the Ronald McDonald House, Autism Climbs, and the Humane Society, to lead 10-15 students on monthly volunteer service events.

**PROFESSIONAL MEMBERSHIPS**

2024 – Present      Society for Research on Adolescence

**TECHNICAL SKILLS**

*Data Analysis*      Proficient with SPSS, R  
*Applications*      Microsoft 365
